TRYSULL & SEISDON PARISH COUNCIL

MINUTES OF ANNUAL PARISH MEETING HELD AT THE VILLAGE HALL
ON WEDNESDAY 9TH MARCH 2005

Chairman's Report – Councillor N.D. Compson

I took the Chair on 19th May 2004 to serve a twelve month term.

First I feel we should record the sad loss of two former Parish Councillors, Mr. Alan Langstaff and Mr. Tony Clarkson. They both worked hard for the Parish in many ways and will be sadly missed by us all.

It has been a very busy year with much progress in many ways. To help Councillors in future years the Parish Council purchased a computer for the Clerk. This was done with the help and expertise of Mr. Southall and Mr. Kelly and we thank them for this. Now minutes are sent out by e-mail, gaining efficiency, speed and saving costs on stationery items. Albeit, surface mail will continue to be sent out if necessary.

Neighbourhood Watch is still being co-ordinated by Mr. Southall for Trysull. He has attended numerous meetings on our behalf and liaises with Wombourne LPU. He has kept us well informed and also encouraged two new co-ordinators in Seisdon to join in our scheme. Our thanks to him and we wish them well for the coming year.

We also thank Mr. Southall and his wife for managing our web site.

Traffic calming is on-going. The Fox Road narrowing is now complete but the Feishill Road narrowing is in a consultative stage, which we intend to have moved. I feel interactive warning signs would help but communications with the Highways authority is slow and they have recently said we are a low priority and signs would be more beneficial in other areas.

As regards the Wolverhampton Business Airport, we have had lots of correspondence and reports through the year and our thanks go to Mr. Skelton for his efforts to keep us updated, also our thanks to the Vice Chair, Mrs. Lowe, for attending Consultative meetings on our behalf.

We thank Mr. Unwin for taking the original hand written minute books to Stafford and these are now in the Archives Department. We also thank Mr. Smith for his patient work in having the minute books copied on to disc to enable all to easily see and read them.

Mrs. Bagley sits on the Village Hall Committee and our thanks to her for reporting back to us.

Mr. Kelly represents us on the Board of School Governors at All Saints School and we thank him for keeping us informed.

The Pound in School Road has been successfully refurbished and restored as a historic building and we have also set up a general maintenance programme.

The reclamation of Seisdon quarry is in its final stages after much consultation and our thanks to Mr. Tonkinson for liaising with Tarmac and the County Council.

The new Pavilion shower facilities are now under construction. Our thanks to Mr. Tonkinson for his work to gain a substantial grant and for encouraging the cricketers and footballers to raise money. I also thank Mr. Tonkinson for his work on the Playing Field Association.

Many footpaths have had contentious issues and on-going problems. Mr. Unwin has again been our representative and we thank him for liaising with numerous people and organisations to uphold our paths and bridleways. Our thanks to Mr. Southall for resurrecting the footpadders scheme.

Mr. Skelton and Mr. Tonkinson spend many hours forecasting our expenditure to gain our precept and we thank them for this.

Trysull won the Best Small Village competition last year and our thanks go to Mrs. Cotterell for representing Trysull. Seisdon has Mr. Chance to promote their village this year and I wish them well.

Thanks to Councillor Bob McCardle, our District Councillor, and Councillor Brian Edwards, our County Councillor, for their regular attendance and input at our meetings.

I also thank my Vice Chair, Mrs. Lowe, for her valued input and support throughout the year and I wish her will for the forthcoming year.

Finally I thank our Clerk, Mrs. Walton, who does a first class job.

It's been a privilege and honour to serve the Parish Council and I thank you all for your support.
